

TOWN OF ANSON
Chippewa County

Construction will begin on Monday, August 6 to replace a bridge on County Highway K. They will be installing road closure barricades and signs on each side of the project limits. The contractor expects the project to be complete & the roadway reopened by mid-October. The location of the bridge is on County Highway K between 102nd Avenue & 107th Avenue, in the Township of Anson.

Information provided by Chippewa County Sheriff's Office.
